

STONE CHURCH CEMETERY RECORDS

These records have been copied by the Wheeling Area Genealogical Society in 1973. Permission was granted by the Cemetery Board to use the ledger kept by the custodian at the cemetery.

Oglebay Park Mansion Museum has a copy of the Stone Church Cemetery Rules & Regulations for Government of - Inc. August 25, 1873. At that time the cemetery became separate from the church board.

In the above booklet was found the following:

"The Old Burial ground, described as Sections I, K, L. Can purchase ground contiguous thereto at rate of 11¢ per sq. ft. Numbered locust posts will define the limits of Lots sold in the Old Burial Ground. Owners are to place and keep in repair, permanent land marks of the lot boundaries.

Interments: Subject to following:

Opening & Closing graves 4 ft. in length - \$2.00
4 to 5 ft. " " - \$2.50
5 to 6 ft. " " - \$3.00
6 ft. & upwards - \$3.50

Opening of any tomb or vault for interments - \$1.50

" " " I - \$15.00

" " balance of cemetery - \$25.00

The first index shows interments from the date of incorporation (1873) through 1900, with ledger # and year.

The second index covers the years from 1900 through 1925, showing all interments with the age of 50 years or older only.

Some numbers in the ledger were used twice - other numbers were skipped: Note the following:

Numbers 2051 through 2090 are used twice-pages 116, 117, 118.

Numbers skip from 2099 to 3000 on page 120.

Numbers 1952 through 1957 are used twice-pages 110 to 112

This occurs in the years 1917-1918

Our members plan to copy inscriptions from the earliest tombstones in this cemetery. This list will be available at a later date.
